

UNINVITED

J.T.C.

Oh, man! Not again. My sleeping pills aren't working. *I'm wide awake.*

I'll go talk to the nurse.

This place sure is creepy at night.

Old Clara's on duty! I wonder what she's reading tonight?

Can't sleep, Bobby?

No, so I thought I'd visit you. Still reading that spooky stuff?

Oh, yes.

Do you actually believe that baloney?

It's *not* baloney Bobby. I believe it with all my heart.

Clara, you don't think those weird creatures actually exist, do you?

Of course! Don't you?

Absolutely not! This is the 21st century.

Well you should! That's why you guys are *in* this place!

My break's over, Bobby. I've got to check on the other patients.

Clara, are you telling me we're dying in here because of their power?

Sorry, can't talk Bobby. Gotta go.

8 am

Last night, she *really* scared me about my condition. She talked like a crazy person.

She is nuts!

She's a *superstitious* old broad. We've got *science* on our side. She shouldn't even be *working* here!

When she comes tonight,
I'll put her in her place!

Careful Harold! She
passes out the pain
meds. We need her!

We've got *enough* pain problems
just trying to make it day to day,
without **her** upsetting us.

She has no idea what
we're going through.

She's an enemy!

I don't think she even
realizes we were
born this way.

I'll straighten her out!

A black and white comic panel showing a woman with her back to the viewer, wearing a floral dress. She is gesturing towards a group of four men. The men have various expressions of anger and frustration. The background is a stippled texture.

Good evening, gentlemen!
How are you tonight?

Upset! Something you
said *really* hurt us.

You hater!

You're mean, Clara! You
must really *hate* us.

A close-up black and white illustration of the woman's face. She has a weary and somewhat annoyed expression. Her hair is styled in a bun. The background is a dark, textured pattern.

Don't play that game on me,
guys. You know I love you,
or else I wouldn't be here...

Cleaning up after you, praying
for you, and putting up with your
sassy mouths and dirty jokes!

So what set you off **this** time?
Something I said to Bobby?

Yes! That evil spirit
thing... how *dare* you?

Do you prefer **devils**? Cause I don't
see the Holy Spirit in any of you.

Are you saying we're
not children of God?

Of course
you're not!

Each one of you knows
what you did! Now you've
got full-blown AIDS and
your days are numbered!

Guess who's grabbing your
souls the second you die?

A black and white illustration of a group of men with angry and stern expressions. One man in the center has a particularly intense, angry look. They are looking towards the right side of the frame.

You have *no* right to talk to us this way!

Oh, yes I do! You have *no* idea what I've been through! Sit back down and let me tell you my story.

A black and white illustration of a woman with short, curly hair, shown in profile from the chest up. She has a somber and weary expression, looking towards the left.

When I was six years old two big men raped me in a field one night.

My body was torn and bleeding. Then they beat me unconscious and left me in a ditch to die. They nearly *destroyed* my body.

I awoke screaming. I felt like something filthy was crawling inside me. Nasty ideas filled my head. I felt like I was losing my mind.

There's a light!
I hear music!

Is that a church?

There's **nothin'** that Jesus can't heal!
There's **no** heart He can't touch. Only His *Holy Spirit* can change your life.

I pushed the door open and everything went black.

I had collapsed. When I came to, ladies were cleaning me up and praying for me.

Bad things were done to me, and I'm dirty, ashamed, and I want to die!

Can Jesus help *me*?

Yes, child, yes!

Jesus died. He died for *you*, Clara. His blood can wash away your sins.

Will you put your trust in Jesus and let Him save you?

Yes, Pastor!

I prayed, and that filthy devil inside of me left, and I was set free!

If Jesus hadn't saved me and
cast out that devil with its nasty
thoughts, I could have become a
lesbian — or worse — and dying
from AIDS* just like you are now

What a marvelous life were
down this way, Clara

* or, lesbians who die of AIDS?

That is a **BIG FAT LIE** to
justify your lifestyle! Out
of the last 40 patients

Almost every one of them was
sexually molested as a child.
What about you gentlemen?

My uncle molested me

My cousin got me on a sleep over I couldn't talk about it to anyone My mom called me a liar

My baby sitter kept touching me

I was an altar boy I don't want to talk about it!

When you were assaulted, a horrible spirit began messing with your mind

Remember how you changed after that?

These spirits have served Satan for over 6000 years, and they know every trick in the book to destroy lives

People die but not evil spirits Noah and his family survived but so did Satan & spiritual monsters

The new population started growing again and Satan's army was back in business destroying everyone they could

Around 2000 B C there was a man named "Lot" who lived in a city that hated God It was called Sodom

The word 'sodomy' comes from that place The people lusted after 'strange flesh' and were completely influenced by devils

God sent angels to pull Lot and his family out of Sodom to protect them

As soon as they were safely out of the city God rained fire and brimstone on Sodom as a warning for all of us

'That's horrifying!'

God isn't playing games
He's a righteous God!

Those people thought they could get away with it just like people today

There's a war for the souls of men. Satan has caused billions to end up in hell.

Hey Clara, how powerful are you saying Satan is?

For starters,

Satan is one of the most powerful beings created by the Lord Jesus.

No unsaved man or woman stands a chance against his powers. His hellish world-wide armies control nations, politics and religions.

Because the heart is "deceitful above all things, and desperately wicked" it makes it easy for invisible evil spirits to enter

unsaved peoples bodies, subtly influencing their minds and lives to destroy them spiritually"

*Jeremiah 17:9 **See Matthew 12:43-45

Their object is to turn them against Jesus

Jesus? Why Jesus?

Because while Jesus was on the earth all the wicked spirits knew that He was God. They were terrified of Him. So is Satan.

When Jesus came. He knew all people were sinners under Satan's control.* He came " to seek and to save that which was lost ***

The *only* way Jesus could save us was to be executed for our crimes

*See Romans 3:23, 5:8 ** Luke 19:10 ***Mark 3:11

Jesus prophesied world conditions before his Second Coming

But as the days of Noe (Noah) were so shall also the coming of the Son of man be *

*Matthew 24:37 **Luke 17:28

Here's why Satan fears Jesus!

"For by him (Jesus) were all things created, that are in heaven, and that are in earth,

all things were created by him, and for him."

He's the one who died for you

Jesus was crucified for you guys. He shed his precious blood (God's blood**) to wash away all your sins.

"For God so loved the world, that he gave his only begotten Son, that whosoever believeth in him should not perish, but have everlasting life." John 3:16

He died and three days later He rose from the dead. He'll soon return from heaven to rule the world. **Acts 20:28

*Colossians 1:16. See also John 1:3.

Gentlemen, when a lost soul believes on Jesus, a miracle takes place. Your sins are forgiven...

...and God's Spirit enters you, making you a *new creature!* How many of you guys want to get saved?

I do, Clara!

Me too. I don't want to go to hell.

Forget it!

I love my life style, and I *hate* your Jesus!

Bobby and Fred got saved. They believed on Jesus. The others died in their sins.

Clara! *What a night!* I asked Jesus to kick that powerful monster and his spirit buddies out of me... *and He did!*

He set me **free!** And I *know* I'm going to heaven real soon.

Thank you, Lord!

The gay community fulfills Christ's prophecy by terrifying politicians, strong-arming the media, and

creating little sodomites in our school systems.

They want the world to become like Sodom.

It will, under the coming antichrist, but what a price to pay.

Remember Sodom? When God unleashes His judgment again...

...one of His plagues will cover one-third of our planet with hail and fire mingled with blood.*

*See Revelation 8-9

But you can miss the coming years of horror and also miss going to hell...

by doing this!

I *believe* in You, Lord.
Please forgive my sins.

“...Believe on the Lord Jesus Christ, and thou shalt be saved...”*

*Acts 16:31

THE BIBLE SAYS THERE'S ONLY ONE WAY TO HEAVEN!

Jesus said, "I am the way, the truth, and the life; no man cometh unto the Father, but by me." John 14:6

NOBODY ELSE CAN SAVE YOU. TRUST JESUS TODAY!

"That if thou shalt confess with thy mouth the Lord Jesus, and shalt believe in thine heart that God hath raised him from the dead, thou shalt be saved." Rom. 10:9

1. Admit you are a sinner. See Romans 3:10
2. Be willing to turn from sin (repent). See Acts 17:30
3. Believe that Jesus Christ died for you, was buried and rose from the dead. See Rom. 10:9-10
4. Through prayer, invite Jesus into your heart to become your personal Saviour. See Rom. 10:13

WHAT TO PRAY

Dear God, I am a sinner and need forgiveness. I believe that Jesus Christ shed His precious blood and died for my sin. I am willing to turn from sin. I now invite Christ to come into my heart as my personal Saviour.

If you trusted Jesus as your Saviour, you have just begun a wonderful new life with Him. Now:

1. Read your Bible (KJV) every day to get to know Jesus Christ better.
2. Talk to God in prayer every day.
3. Be baptized, worship, fellowship, and serve with other Christians in a church where Christ is preached and the Bible is the final authority.
4. Tell others about Jesus Christ.
